Following my retirement from teaching, Inner Wheel has become a significant part of my life. Travel, music and the written word are also major interests. Yet it is Inner Wheel that has made long standing friendships and, for me, has given a quiet sense of satisfaction that I am part of an organisation which gives so much to so many people.

I have been fortunate enough to attend several Conventions and this has expanded my knowledge of Inner Wheel substantially. There is always something more to learn about our organisation and that continues to be its greatest appeal for me.

After an enjoyable, yet demanding career, I moved from Headship into a retirement opportunity – Inner Wheel. Each role undertaken has been exciting, exacting and rewarding.

Establishing and developing a new Membership committee started with a plan about the promotion of Inner Wheel, recruitment, retention of members and rejuvenation of Clubs. We are now moving forward. Together we are discovering new ways of working, extending friendships, and using our skills to promote service.

My spare moments revolve around my close family and Chelmsford Cathedral Flower Guild.

I welcome the chance to represent Inner Wheel during its centenary year as your Association President. I know my experience, your support and friendship will equip me to lead Inner Wheel in this privileged role during our special celebratory year in 2023 -2024.

Inner Wheel is an amazing organization. It is based on friendship and personal service, following these objects make the world a better place. I have met some interesting people through Inner Wheel who have personified those ideals that I have tried to follow by serving my community in various ways, as well as volunteering for an International charity.

My interests stem mainly from my work as a teacher. I qualified as a teacher of humanities and ended up as a teacher of English in a secondary school, as well as being an Advanced Skills Teacher for Strategic Planning. The skills I developed throughout my career have helped me in my roles within Inner Wheel and my other activities.

Having been a member of Inner Wheel for quite a long number of years I have seen many changes at Club, District and Association, but, the one thing that has remained constant is the objects of Inner Wheel, and in particular to "Promote True Friendship".

During my years in Inner Wheel I am fortunate to have been given the opportunity to serve at both Club (Horwich & Penrith) and in various capacities in District 5 – District 128 - District 19. On the Association as MoC, and the Constitution Committee.

I feel proud and privileged to belong to such a wonderful organisation.

Whilst not on Inner Wheel duties, I run my own Cookery School. I am also a First Responder, Secretary of the Bob McGhie Award Charity, and I support the Milton Academy in Kenya, a school for underprivileged children.
